

Bowl-a-thon sample script to ask for Sponsors (short version)

Dear Friends,

I've been volunteering with the All Stars Project. It's a great organization, helping young people in the poor communities to develop socially and emotionally through the use of performance. Please sponsor me in the 2007 Bowl-a-thon. Your tax-deductible contribution supports our youth and I really appreciate it!!

Bowl-a-thon sample script to ask for Sponsors (2nd version)

Dear _____,

I am volunteering to help the All Stars Project. It's a wonderful organization that helps thousands of poor and minority youth to grow and develop through educational and performing arts activities. I think this work is really important.

This year I've pledged to support the annual fundraiser sponsored by the volunteer program, the annual bowl-a-thon. I would love your support to meet and exceed my personal fundraising goal. Your tax deductible contribution allows the All Stars to reach thousands of inner-city youth with vital development programs. The All Stars does not rely on government funding so this really makes a difference. I hope you will be one of my sponsors and help support the youth.

You can see first-hand what the All Stars is accomplishing by visiting the headquarters on 42nd Street (543 West 42nd Street) or visit on the web at www.allstars.org.

Thanks so much for your support!
